### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

#### **IN THE TITLE:**

Replace the current title with, --A method and system for determining a value of a first counter of a wireless communication system serving a user station which moves at a time of handover--.

### ***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or make obvious the claimed method and system for determining a value of a first counter of a wireless communication system serving a user station which moves at a time of handover from a first coverage area controlled by a first controller into a second coverage area controlled by a second controller. The method comprising the claimed steps of maintaining in the first controller, substantially until the time of the handover, the value of the first counter which is incremented periodically. The claimed step of sending, at substantially the time of handover, a request to the user station for a constant value representing a difference between the value of the first counter and a value of a second counter, the value of the

second counter being maintained in the second coverage area and incremented periodically with the first counter and the claimed step of receiving an updated value of the second counter at a later time at the second controller and determining an updated value of the first counter at that later time based on the constant value, the value of the first counter at the time of handover and the value of the second counter at the later time.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "*Comments on Statement of Reasons for Allowance.*"

4. Claims 1-28 are allowed.

5. As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).

### ***Conclusion***

#### **Patent-Related Correspondence**

37 CFR 1.10(i) addresses interruptions or emergencies in USPS "Express Mail Post Office to Addressee" service that are designated by the Director for patent-related correspondence. Correspondence covered by 37 CFR 1.10 that would have been filed with the USPTO under 37 CFR 1.10 during this USPS service interruption, but which was not filed due to the USPS service interruption, should be filed promptly after the

termination of the USPS service interruption with a petition in accordance with 37 CFR 1.10(i) using "Express Mail" service in accordance with 37 CFR 1.10.

The provisions of 35 U.S.C. § 21(a) and 37 CFR 1.10(i) apply only to postal interruptions and emergencies. The provisions of 35 U.S.C. § 21(a) and 37 CFR 1.10(i) do not provide for the granting of a filing date to correspondence as of the date on which it would have been filed but for other exigencies, such as the unavailability of an office or building other than a USPS facility. These provisions apply only if the post office was closed or "Express Mail" service suspended in the affected areas on the specified date due to Hurricane Rita.

37 CFR 1.10(i) provides that any person attempting to file correspondence by "Express Mail Post Office to Addressee" service that was unable to be deposited with the USPS due to an interruption or emergency in "Express Mail" service which has been so designated by the Director may petition the Director to consider such correspondence as filed on a particular date in the Office. 37 CFR 1.10(i) specifically provides that: any person attempting to file correspondence under this section that was unable to be deposited with the USPS due to an interruption or emergency in "Express Mail" service which has been so designated by the Director, may petition the Director to consider such correspondence as filed on a particular date in the Office, provided that:

- (1) the petition is filed in a manner designated by the Director promptly after the person becomes aware of the designated interruption or emergency in "Express Mail" service;
- (2) the petition includes the original correspondence or a copy of the original correspondence; and
- (3) the petition includes a statement which establishes, to the satisfaction of the Director, that the correspondence would have been deposited with the USPS but for the designated interruption or emergency in "Express Mail" service, and that the correspondence or copy of the correspondence is the original correspondence or a true copy of the correspondence originally attempted to be deposited with the USPS on the requested filing date.

#### Trademark-Related Correspondence

37 CFR 2.195(e) and 2.198 address interruptions or emergencies in USPS "Express Mail Post Office to Addressee" service that are designated by the Director for trademark-related correspondence. Correspondence covered by 37 CFR 2.198 that would have been filed with the USPTO under 37 CFR 2.198 during this USPS service interruption, but which was not filed due to the USPS service interruption, should be filed promptly after the termination of the USPS service interruption with a petition in accordance with 37 CFR 2.146 and 2.198.

The provisions of 35 U.S.C. § 21(a) and 37 CFR 2.195(e) apply only to postal interruptions and emergencies. These provisions do not provide for the granting of a filing date to correspondence as of the date on which it would have been filed but for other exigencies, such as the unavailability of an office or building other than a USPS

facility. These provisions apply only if the post office was closed or "Express Mail" service suspended in the affected areas on the specified date due to Hurricane Rita.

Under 37 CFR 2.195(e) and 2.198, any person attempting to file correspondence by "Express Mail Post Office to Addressee" service that was unable to be deposited with the USPS due to the interruption or emergency in "Express Mail" service in the areas designated in this notice may petition the Director to consider such correspondence as filed on a particular date in the Office. The petition must:

- (1) Be filed promptly after the ending of the designated interruption or emergency in "Express Mail" service;

- (2) Include the original correspondence or a copy of the original correspondence; and

- (3) Include a statement which establishes, to the satisfaction of the Director, that (1) the correspondence would have been deposited with the USPS but for the designated interruption or emergency in "Express Mail" service, and (2) the correspondence or copy of the correspondence is the original correspondence or a true copy of the correspondence originally attempted to be deposited with the USPS on the requested filing date.

Please note that under 37 CFR 2.101(b)(2), 2.102(a)(2) and 2.198(a)(1), the Express Mail procedures cannot be used for the following types of correspondence: applications for registration of marks; amendments to allege use under 15 U.S.C. § 1051(c); statements of use under 15 U.S.C. § 1051(d); requests for extension of time to file a statement of use under 15 U.S.C. § 1051(d); affidavits of continued use under 15 U.S.C. § 1058; renewal applications under 15 U.S.C. § 1059; requests to change or correct addresses; combined filings under 15 U.S.C. §§ 1058 and 1059; combined affidavits or declarations under 15 U.S.C. §§ 1058 and 1065; responses to notices of irregularity under 37 CFR 7.14; requests for transformation under 37 CFR 7.31; notices of opposition to applications based on 15 U.S.C. § 1141f(a); and requests for extensions of time to oppose applications based on 15 U.S.C. § 1141f(a).

Moreover, 37 CFR 2.197 (certificate of mailing procedure) does not provide for according a filing date as of the date of deposit with the USPS. Therefore, it would be inappropriate to file a petition seeking a filing date as of the date of deposit of the types of correspondence listed in 37 CFR 2.101(b)(2), 2.102(a)(2) and 2.198(a)(1) as Express Mail, or as of the date on a certificate of mailing under 37 CFR 2.197.

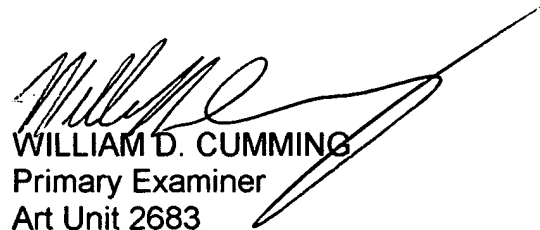

Trademark-related inquiries concerning this notice may be directed to Mary Hannon, Office of the Deputy Commissioner for Trademark Examination Policy, at (571) 272-9569.
